## About Kinder Morgan, Inc.

Kinder Morgan is the largest energy infrastructure company in North America. We own an interest in or operate approximately 84,000 miles of pipelines and 165 terminals. Our pipelines transport natural gas, refined petroleum products, crude oil, carbon dioxide (CO<sub>2</sub>) and more. We also store or handle a variety of products and materials at our terminals such as gasoline, jet fuel, ethanol, coal, petroleum coke and steel.

We are a market leader in each of our businesses – **Natural Gas Pipelines, Products Pipelines, CO<sub>2</sub>, Terminals and Kinder Morgan Canada**. We have an unparalleled, large footprint of diversified and strategically located assets that are core to North American energy infrastructure and help deliver needed energy products to high-demand markets.
